We supply spoons and napkins for the pre-scooped servings.

We also offer “Scoop Your Own” where we provide the 2.5 gallon tubs of ice cream for you to scoop for your own party or group gathering. We will deliver this in either the cart or a large cooler. The tubs are \$100 each. Our staff will not scoop for you on site. You must provide your own volunteers for this activity.

There is a \$10.00 deposit per tub/lid combo in addition that is refundable when we get the tubs and lids returned without damage.

We will send you a video on proper scooping and recommend portion control. Each tub should deliver between 70 and 80 4.5 ounce servings (it's a generous baseball sized scoop).

Rental for the cart is \$50.00 per day for any orders that we are leaving at the site and not serving ourselves. Loaner scoops, loaner tub thermos and/or loaner cooler - no charge. You would be responsible for replacement in the event of damage or loss.

There is a nominal charge for delivery depending on the distance from the shop.

There is no minimum order but we may not be able to supply the cart for a small order. We may loan or drop off a small cooler.

You may choose any of the flavors we offer in any quantity - we recommend no nut flavors for people with nut allergies in a gathering like this. We can bring flavors with nuts and pack them separately in a cooler if you wish to have one of these flavors. We also recommend some of the flavors to be dairy free for the vegans or lactose intolerant folks.

Go to the website at www.sweetjakesicecream.com and pick any of the flavors without a STAR (starred flavors are specials and are in limited quantity - we rotate them but cannot guarantee they will be available for an event unless you want a large quantity of a particular flavor and then we will make it for the event).

You may choose a * starred flavor but give us an alternate in the event we don't have sufficient quantity. Or give us a week notice to make it for you if you are ordering full tubs. Custom flavors are also an option if you don't see what you want on the current list - we need one week notice.

There is a \$20.00 charge per hour (one hour minimum) for the server staff who will be handing out the ice cream and/or making the sundaes.

If you are tax exempt, send me a copy of the document.

If you want to pay with a check instead of a credit card, that is fine. For large events, we would prefer payment in advance.

If you want us to collect money at the event, we are able to do this for both cash and credit cards. However, if you want us to collect money at the event - instead of pre-paying, we ask that you guarantee the number of servings you are requesting. This means that if we fail to sell what you have asked for, you will be responsible for the unsold items. We cannot put them back in inventory due to health department regulations.

Let me know what you want us to do and I'll try to accommodate your request.
